After Church

Pizza and Movie at 1 PM Sunday

The Disciples program here at CPUMC is presenting an opportunity for all of us who love watching movies and sharing our Faith. There will be a movie viewing party (Pizza and drinks) at 1:00 pm followed with some discussion on whether the film has characters or situations displaying faith or a lack of faith. This simple premise should allow for lots of varying opinions to revel in, as we look to make comparisons to biblical stories, scriptural themes and strong personalities struggling with the human condition. The movie selections will be for all audiences unless otherwise stated and then a children's movie may be shown in another room. All are welcome at these ongoing events that will be held throughout the summer.

Join us in the Fellowship hall after worship service.

Douglas A. Mangum

If you feel the choir aids in worship, we need your help. Please come and sing God's praises with us Wednesday evenings starting at 7:00PM. Help ensure the music program will continue at CPUMC.

The Following is from Prince George's County

Greetings Faith Community,

There is an awesome opportunity available for individuals and families who are struggling to maintain and stay in their homes in Prince George's County. The Emergency Mortgage Assistance program is administered by the Maryland Department of Housing and Community Development. The U.S. Department of Housing and Urban Development recently awarded \$39 million to the DHCD to help Maryland homeowners who are facing foreclosure due to an involuntary loss of employment or a reduction in wages or hours due to economic adversity or a medical condition. Please see the attached brochure (**in the back of the church**) for more details, and please feel free to share it with your parishioners. **The brochure is attached to this email for anyone interested.**

Cordially,

L'Tanya N. Brown, Chair
